

COVID Secure in the Workplace - Retail and Shop Branches - Webinar Q&A with Warwickshire County Council and Partners Wednesday June 10th from 1pm-2pm

Free webinar for businesses wanting to find out more about reopening and operating safely during the pandemic. A panel of local regulatory and public safety experts from Environmental Health, Trading Standards, Public Health, Town Centres, Fire and Police and the local authorities will be online to provide key information and answer questions from businesses about the new government guidance and how it applies to their business. This session is aimed at businesses operating in retail.
