## BUSINESS IMPROVEMENT DISTRICT

We have also received this message of support from Nadhim Zahawi MP:

*"I just wanted all businesses and staff to know that, as your MP and BEIS Minister, my team and I are working flat out to get you the help and support you need as quickly as we can. Many of you have already been in touch and I will get back to you as soon as possible. My department, BEIS, and the whole Government are working day and night to safeguard our health and the economy in a rapidly changing environment. So please don't panic, stay safe, and look after yourselves. If we band together and support one another, particularly the most vulnerable, we can and will get through this".*
